

ADDING STANDARD PACKAGED SERVICES

Step 1

Once you have been approved as a seller you will see the services tab on your profile.

If you click on the tab you will see the option to Create my first service. Click on this to bring up all the templates available.

I have extensive experience in industrial relations and have been practising employment law for over 20 years. My expertise includes advising directors and senior executives on service agreements, advising boards on removal of directors, TUPE and employment tribunal litigation. I am the only...

Edit My Profile

Your service offering will then be sent to Flexeboss for approval. Once approved it will show in the service catalogue for buyers to purchase.

You can amend your service at any time to alter the timescale or details of the service.

You can add as many templates as you like by clicking on the Add packaged services button to create your seller profile.

CREATE A CUSTOM SERVICE

Step 1

If you feel that the packaged templates on offer do not cover the service you want to provide then you are able to create a custom service. To do this click on Add custom service within the services tab of your profile.

Home	Messages	My Orders	Orders Received	Services	Profile
------	----------	-----------	-----------------	-----------------	---------

+ Add Packaged Service + Add Custom Service

Step 2

This will bring up the following screen.

Step 4

This will then send your request to Flexeboss who will review your service offering.

Thank you for your application. We'll be in touch once we've reviewed your service.

If accepted, you will receive an email letting you know.

Hi Claire,

Congratulations, your custom FlexeBoss service has been accepted!

Kind regards,

FlexeBoss

If declined, we will let you know the reasons why.

Once accepted your service will show on your profile and be available for customers to purchase.
